Shank Wins Prize For Concert Add

From entries submitted by Art students of CPS, Maurita Shank was awarded first prize, Saturday, in a poster contest, which was sponsored by the Tacoma Philharmonic orchestra. Second prize winners were June Arnold and Clayton Lupton. The first prize was a season ticket to the Philharmonic concerts, second prizes were tickets to the first concert November 13.

The posters were judged for their advertising as well as their artistic value, since they are to be displayed downtown to advertise a series of concerts, which the Philharmonic orchestra is going to present in the auditorium at Jason Lee intermediate school. The entrants, whose posters are to be displayed are, Pauline Schouw, James Judd, Roman Sebastian, Maurita Shank, Clayton Lupton and June Arnold. The judges were Eugene Linden, Glen Dodge and Eleanor Perkins.

According to Prof. Melvin O. Kohler, head of the art department, several worthwhile contests are going to be sponsored in the near future which are offering scholarships to some of the leading art schools of America, as well as cash prizes. Anyone interested in these contests is advised to keep in touch with Professor Kohler.

Second Spanish Meeting To Have Varied Program

Spanish folk music, a modern comedy, "El Joven Medico Infortunado," and word games for vocabulary building, will be featured at the second meeting of La Mesa Redonda, the Spanish club, scheduled to meet this evening from 7:30 to 9 p. m. The characters in the one-act play are "El doctor," portrayed by Carl Faulk, "El caballero," by Laureto Pedro, and "La senora," by Billie Acton.

Robert Magin will offer piano interpretations of Spanish songs and dances, supplementing his music with explanations in Spanish. Sheila Humber will lead the games.

Invitations are issued to all who have had one year of Spanish and who are interested in improving their ability in this language.

College Actors Plan Portrayal Of Moon's Spell

Modern Tragedy Is Second All-College Play Of Year

Caught in the sombre spell of "Children of the Moon," the second All-College play, the Campus Playcrafters are busy in final rehearsals for this modern tragedy by Martin Flavin, western playwright. They anticipate a capacity audience when the curtain rises at 8:15 o'clock Friday evening, November 9, in Jones Hall auditorium. For, ever since its first notable season in 1923, "Children of the Moon" has earned enthusiastic comment from leading American critics.

Superior Cast

Miss Martha Pearl Jones, director, with a cast of more than ordinary ability, will offer in this drama a distinct contrast to the Homecoming mystery play, "The Spider." Personalities, buffeted like the waves on Monterey rocks, site of the Atherton residence and home country of the author, reflect the mysterious and maddening influence of the full moon.

These characters are Madame Atherton, Betty Simpson; Laura Atherton, Ellen Jorgenson; Jane Atherton, Dorothy Belle Harriss; Judge Atherton, Creighton Flynn; Major Bannister, Kenneth Powers; Dr. Wetherell, Maurice Webster; Higgs, Kenneth Hore; and Thomas, Charles Zittel.

Reverse Traditions

Events which lead to the inevitable but breath-taking climax of the play begin—contrary to tradition—with the engagement of Jane to Major Bannister, injured aviator guest in the Atherton residence. Laura, Jane's "infallible" mother, is forced to curb her daughter's spirit by revealing the Atherton trait that makes them "children of the moon." Efforts of the alertly sympathetic grandmother and the kindly Dr. Wetherell to avert catastrophe are in vain. The lovers find the moon as relentless to men as to tides of the ocean.

Although this drama emphasizes the conflict between women of the cast, opportunities for highly individual roles show up in Judge Atherton, eccentric grandfather—moon-mad in the literal sense of the word; in the Cockney Iggs, Major Bannister's man; and in the old family butler, Thomas.

M. E. Denomination Predominates at CPS

Students with a preference for the Methodist church are in the majority in CPS with 191, or 31 percent, according to figures compiled by Registrar Christian Miller.

There are 19 different churches and denominations represented by 556 students.

Presbyterians rank second with about one-half as many, while the Roman Catholics come third on the list.

Adelphians Rehearse Christmas Concerts

"The Messiah," by George Frederick Handel, will be presented by the Adelphian Choral society, December 9 and 16. Everyone is invited to attend these concerts, which will be given 4 p. m. in Jones Hall.

Solo numbers, according to Prof. John Paul Bennett, will be divided among members of the chorus.

The Community Chest

Once again comes the drive to fill the coffers which are officially open to Tacoma's needy. The Community Chest, being well established, needs no introduction, nor does its purpose.

It is for us, then, to contribute our bit in order that those in need will know that the spirit of Americanism still lives.

End of the Six Weeks

Today will find each of about 125 newly pledged freshman men and women pledged to the fraternity or sorority with which he will live for the duration of his college years.

Six weeks have been spent in rushing—but, despite the fact that rushing is really an all-year affair, the big drive is over. The end of the rush season should be the signal, then, for two things.

First, each fraternity and sorority member having devoted even a reasonable amount of time to rushing has found that the time so spent has interfered to varying extents with his studies. Mid-semester grade warnings are due to be issued in three weeks—it is possible that a student with unsatisfactory work shall raise his grades sufficiently before then. It is certainly desirable that each student with unsatisfactory work shall raise his grades sufficiently before then.

Secondly, each newly pledged man and woman is entering his pledgehood in which certain restrictions or demands are designed to help him. Sometimes the pledge is going to think he is mistreated. He is, however, rarely mistreated. Discomfitures are designed, not to annoy the pledge, but for some more deep-seated purpose which he will be in no position to realize.

If the pledge, then, will start today to get into the swing of the sorority or fraternity, to cooperate with the group and feel that it is the group, he and his associates will derive more from his group.

DISCOVERY

A secret hidden high in the ceiling of the auditorium was revealed last Monday when the lights were turned on during chapel period. Yessir, you're right, two burned out light globes were noticed by the wandering gaze!

NEVER READ IVANHOE; STUDENT AWES CLASS

The announcement by Jack McCoy that he had never read "Ivanhoe" in any of his high school English classes, today caused a near furor in Mrs. Drushel's freshman composition class.

All other students of the class who had been forced to read this universal high school classic, turned green with envy on hearing this boy's statement.

Noted educators are asking for a Senate investigation to study this oversight.

DISILLUSION

Young dreams of adventurous reporters were shattered for one CPS journalist when he entered the editorial room of the Ledger only to overhear two debonair reporters talking about the price of eggs at a downtown market.

Scientists have discovered that the burning sand of the great Sahara desert was once a garden of roses and tropical vegetation, according to an article in the Daily Trojan.

"Using their offices to destroy the university by handing it over to an organized group of communistic students" was the charge made against the president of the Associated Students of U. C. L. A. and four other prominent students who have been expelled for a period of one year.

From the Bookshelf

TESTAMENT OF YOUTH—Vera Brittain

Among the flood of pictorial and gory war literature which has been swirling about of late, Vera Brittain's "Testament of Youth" has a singular attraction for our generation. We who grew up since the war are more impressed by it as an infuriating personal interruption than as a world-wide catastrophe; more shocked by the wastage of potential musicians, poets, and leaders of men than by a photograph of unknown victims.

The "Testament" is the authentic story of a young Englishwoman whom the war caught just as she went up to Oxford. Thus frustrated in her revolt against the emptiness of provincial young-ladyhood, Vera joined up as a V. A. D. nurse for service first in England and then in Malta and France. One by one the four men who meant most in her life "went West," so that by the Armistice not one remained of those who were once her contemporaries. The War was over; "a new age was beginning; but the dead were dead and would never return."

However, nothing could prove more conclusively than V. B.'s brief history the fact that resurrection is possible within our span of earthly time. She returned to Oxford and became an authority on international politics; finally she married a brilliant professor and divided her time between America and England, between a family and her established career as a writer.

Although nothing could be more painstakingly a record of Vera Brittain, the force of her book lies in her uncanny ability to illuminate with personal significance the far-off pages of war-time history. It is not amusing writing, for only a touch of ironic humor relieves its bitter intensity; but it is a book which we willingly fall asleep over for a month straight, rather than miss one radiant word.

Arnheim With Band Here November 12

Gus Arnheim, favorite bandleader of collegiate dancers, will be welcomed to Tacoma November 12, when he plays in the Scottish Rite Cathedral.

Colonel Gus and his orchestra are following the Pacific coast up from the radio-famous Coconut Grove of the Los Angeles Ambassador hotel. A number of radio and screen favorites have been featured by this famous orchestra. Maxine Tappan, Jimmy Newell and the Downey Sisters are featured with Arnheim November 12 and are the Colonel's latest for greater recognition.

objects from fans to pottery are awaiting attention.

Archaeological Exhibits

One of the most entertaining and valuable exhibits is the Peruvian pottery, pots and kettles, woven fabrics and a small dish of pure beaten silver made by a tribe of the pre-Inca era. "Archaeologists have decided that these things were buried at the time of King Solomon," says Mrs. Robbins who loaned them.

The fabrics of both heavy and light weaving, were made by the Peruvians who were masters in the knowledge and use of this art. A water jug constructed by the same tribe, was molded so as to give two harmonizing gurgles as the water was poured. These were found in two pre-Incan tombs of a man and a woman at Ancon, Peru, a famous archaeological field, now under government protection.

Earth Mummifies Bodies

The earth of that field is so chemically sterile that it preserved the contents of the tombs and mummified the bodies. Some preserved crab meat was also found in the tomb and is now in the college museum. Mr. F. A. Hazeltine, brother of Mrs. Robbins, unearthed the relics.

Two other exhibits of interest are an opium pipe and the beak of a swordfish. The donors of many of these are unknown, although some jugs have been numbered and there is possibility of a record of some previous inventory having been laid away. The Art club, however, has no written record of any of the pieces.

Set Up Apparatus

Students of the Physics department are setting up a glass-blowing apparatus for experimental purposes. An air compressor and a set of crossfires have been purchased. Larry Penberthy, research assistant, is building a table.

CPS, Pacific Clash in Final Home Game Saturday

Zetes, Omicrons To Play First Baseball Game

Intramural Athletics To Start Tuesday with Two Ball Games

Intramural baseball play gets under way tomorrow noon when the Sigma Zeta Epsilon team tangles with the Delta Pi Omicron squad in the first game and the Sigma Mu Chi team meets Art Linn's Swedes, immediately after the first contest has been run off.

According to Bill Sherman intramural manager, the Peter Pugets and Linn's Swedes will be divided on an alphabetic basis this year. That is, all independent men whose names fall between the letters A and L will have to play for the Swedes while those from M to the end of the alphabet will have to play with the Peter Pugets. Besides these two independent teams, there is a third group which will be known as the Tahoma house, which with the five fraternity teams will make up an eight team league.

Thursday's games will see the Alpha Chi Nu team play the Delta Kappa Phi squad at noon and the Sigma Mu Chi men will take on the Tahoma's in the second contest.

Women Play Hockey With Seminary Team

For the first time since the spring of 1933 women of the College took part in an inter-scholastic athletic contest when the women's hockey team met a team from Annie Wright Seminary Saturday at 2:30 on the Seminary field.

The CPS women's team is composed of Bernice Anderson, Flora-mae Davis, Ruth DeSpain, Virginia Gardner, Alice Grimes, Jayne Hall, Janet Jennings, Marguerite McMaster, Helen Nicola, Helen Rosenzweig, Evelyn Swanson, Elizabeth Worden and Katherine Yamamoto.

Hansen Leads Hike

Lorraine Hanson led the second women's group hike Monday afternoon at 3 o'clock. Those attending were Betty Kuhl, Margaret Boen, Toshiko Kurimoto, Katherine Yamamoto, Regina Carrier, Sylvia Asp, Mary Fay Fulton, Janet Jennings, Alice Grimes, Annabell Norton and Ruth Wheeler.

Divot Diggers Are Busy

Golf finals will be completed this week. The four to play in the semi-finals are Harold Gustafson, Louie Staples, Harold Tollefson, and Bill Sherman. Harold Tollefson defeated Harold Johnson and Bill Sherman defeated Howard Hass last week. The matches to date have been so hard fought that it is difficult to choose a possible champion from the remaining aspirants.

Joe Kent was leading C. Creesy in the final tennis match. Adverse weather conditions did not permit the completion of the contest.

48 Women Take Part in Turnouts

Miss Dixie Tuck, women's volleyball manager, announces that there are 48 women now turning out for this activity three afternoons a week in the fieldhouse. Regular teams will not be chosen until the latter part of this month and until then the practice periods will be continued.

CPS Grid Team Bows to Scrappy Teacher Eleven

Bellingham Outplays Loggers To Win by 14 to 6 score

An inspired Bellingham Normal grid squad showing a well-balanced attack, defeated the College of Puget Sound eleven 14 to 6 Friday night on the rain soaked gridiron of the Stadium. The invaders made twice as many first downs as the Loggers and except for occasional spurts on the part of the Lumberjacks, outplayed them the entire game.

CPS scored first in the contest after both teams had threatened in the opening minutes of play. A pass from Brooks to Carlson put the pigskin on the visitor's 20-yard line but the Loggers were then held for downs.

Blocks Punt

Bellingham took the ball and after failing to gain Fay Franklin dropped back to punt out of danger but Elmer Olson, tackle, broke through the Teacher's defense to block the kick and Puget Sound recovered on the 10-yard stripe.

Coach Roy Sandberg at this point sent Warwick into the contest to attempt to place kick, after the Loggers had failed to gain on three running plays. Ole Brunstad fumbled the ball as it came back from the center and Warwick didn't get a chance to kick.

Bellingham then punted to her own 40-yard mark, where the Logger's, on the first play, a 20-yard pass from Brooks to Carlson, completed for a touchdown. Warwick's try-for-point boot was low. The Teachers came back near the half with a passing attack that baffled the Logger defense and a long pass over the goal line from McKenzie to Davidson accounted for their first touchdown. Frender booted the extra point. The Loggers threatened to score several times at the start of the second half but lacked the punch necessary.

Bagley Scores

In the last quarter mixing their passes with some fine line smashing Bellingham made a 40-yard drive for the second touchdown, Art Bagley, former CPS player, taking the ball from the two-yard line. Frender again was successful in his kick for the extra point.

Wayne Briles was the outstanding man on the Logger line, playing a fine defensive game. Briles not only knocked down and intercepted passes but also made numerous tackles. Jess Brooks again looked good in the Logger backfield.

For the visitors, Captain Bagley and Franklin in the backfield were outstanding, while Frender at end, was a tower of strength on the defense.

By Jack Burns

Many men will be made happy tomorrow, when the 1934 intramural sports season gets under way with the opening of indoor baseball play. At this writing it looks as if the Zetes, Mu Chis and the Chi Nus have the best material for baseball while the Omicrons, Delta Kapps and the independent teams are given only an outside chance to cop the title which the Zetes now hold.

Did you know that Ike Peterson, the Gonzaga star halfback, about whom so much has been said is not only the leading scorer on the Pacific coast with his 60 points, but that he is second among the high scorers of the entire country? Bill Shepherd of the Western Maryland team is leading with 71 points to his credit.

University of Washington's schedule makers didn't pick any soft ones when they made out the conference games. The Huskies are playing all of the major teams and if they go through the whole season without a defeat, they will not only have a strong claim to national grid honors but they will cinch the Rose bowl game.

The fracas which is likely to settle the coast championship is the Stanford-Husky game next Saturday at Palo Alto. What a battle that should be!

Upperclass Women Win Championship

Hockey season ended Tuesday noon, when the upperclass women defeated the sophs by a 1 to 0 score.

This was the championship contest because the sophomore squad had previously taken the freshmen eleven in a 2-1 tilt. The upperclassmen took the frosh with the score 4 to 1.

The sophs showed a strong offensive during the first half but weakened during the latter part of the battle. Mildred Anderson and Mary Fay Fulton played outstanding games for the sophs.

Ina Mae Lee scored the lone goal marked up for the upperclass team late in the second half. Annabell Norton acted as captain as Freddie Gardner was unable to be present.

Strong Badger Squad To Meet Logger Eleven

Closing a short home schedule which has yet to list an official Logger victory, Puget Sound grid-ders will entertain a strong Pacific university eleven from Forest Grove, Oregon, this Saturday afternoon in the Tacoma stadium. The opening kick-off is set for 2 o'clock.

The encounter also marks the final Northwest conference competition of the season for CPS. In their most disastrous year since Roy Sandberg took over coaching duties here in 1931, the Loggers, last year's conference champions and without a doubt the "hard-luck" champs this season, have checked in only one victory in circuit play, winning easily over Whitman. They have dropped tilts to Willamette, College of Idaho and Albany, losing to the latter by forfeit.

Their strong showing in earlier contests will probably install the Badgers from Pacific as the favorites for Saturday's tussle. They boast a 28 to 7 win over Whitman, comparing favorably with Puget Sound's 23 to 0 victory over the Missionaries, as well as a 13 to 13 tie with Columbia university of Portland.

Just who Coach Roy Sandberg will send into battle against the Badgers will not be known until game time as he was dissatisfied with the showing of some of the men who played against Bellingham Friday night and many changes are expected. Mel Miller, regular blocking halfback, was injured during the Bellingham game and he will be unable to play against Pacific and one of Sandberg's chief worries is to find a man who can handle this position.

Jack Kimball, who has been on the sidelines because of injuries, got into the game for a short time against the Teachers and he is expected to see more action in Saturday's tilt.
